The American Craft Council fosters livelihoods and ways of living grounded in the artful work of the human hand, creating a more joyful, humane, and regenerative world.

As a 501(c)(3) nonprofit, ACC relies on your support to carry out our mission.

Your support makes it possible for us to share artists' stories with a nationwide audience, create marketplaces and other events that connect people through craft, and provide a range of programs that empower and engage artists and the field.

TWO WAYS YOU CAN CONTRIBUTE TO OUR EFFORTS:

1. Make a tax-deductible donation to our national nonprofit.
Scan to donate or visit go.craftcouncil.org/SupportACC

2. Become a Member and gain access to exclusive benefits.
Scan to join or visit go.craftcouncil.org/JoinACC

Visit the ACC Welcome Booth or the Box Office to learn how you can become an ACC member for only \$30, and you'll automatically be registered to win a \$500 gift certificate to our next Online Pop-up Marketplace in September.

Join our community. Live a handcrafted life.

On behalf of the American Craft Council Board of Trustees and staff, and more than 350 artists and partners, welcome to our 2024 Baltimore Marketplace!

We invite you to take your time exploring all that this flagship ACC event has to offer, including the Emerging Artist and School-to-Market booths and the Local Craft Partners area where you'll discover unique, hands-on experiences. Whether this is your first encounter with craft of the quality and diversity represented in these halls or you're a seasoned collector, ACC staff and artists look forward to greeting you. Please stop by the *American Craft Lounge* — named for our award-winning, quarterly magazine — to learn more about everything ACC has to offer and share your thoughts on ways we can expand and serve the nationwide community of people who value craft and its practitioners.

Thank you to our participating artists, partners and sponsors, members and other guests, and the City of Baltimore for hosting our 47th marketplace here in Charm City. All of us at ACC are deeply grateful for your investment in our work to foster livelihoods and ways of living grounded in the artful work of the human hand. Together, we're creating a more joyful, humane, and regenerative world.

Enjoy!

American Craft Council Awards of Excellence

The American Craft Council Awards of Excellence celebrate outstanding artists in our marketplaces. Our awards recognize makers who demonstrate exceptional quality of work, mastery of material, entrepreneurial effort, and whose values align with ACC's objective to create healthy, vibrant, and equitable marketplaces.

This year's winners will receive a cash prize and guaranteed entry into our 2025 Baltimore Marketplace.

ACC Awards of Excellence Categories are Home and Living, Jewelry, Apparel & Accessories, and Emerging Artist.

Randall Darwall Award in Fiber

Funded by generous donors in memory of a beloved, longstanding ACC show artist, The Randall Darwall Award supports and encourages early-career fiber artists in participating in their first ACC Marketplace.

Craft in America called Randall Darwall (1948–2017) “one of contemporary craft’s finest weavers.” For more than 30 years, Randy and his life partner Brian Murphy spent countless hours doing shows, and they loved seeing the exciting work and fresh ideas that came from new artists. To honor Randy’s legacy and memory, the Randall Darwall Award in Fiber was born and provides a free booth and a stipend to assist with show expenses.

Don't miss the work of this year's Randall Darwall Award in Fiber recipient, Indiana-based weaver and designer **Alison Stewart-Guinee** (booth 351).

Asé Design Studio Award for Excellence in Wood

Asé Design Studio founded the Award for Excellence in Wood to honor their commitment to community empowerment and meaningful engagement. In their retail space, lotties-place.com, Asé Design Studio is intentional in their support of artisans representative of minority and/or underrepresented communities. This award is an extension of their continued commitment to support these communities, with the winner receiving a cash prize.

The American Craft Council's Emerging Artists Program

Now in its ninth year, ACC's Emerging Artists program is a juried showcase of top emerging talent that provides a pathway for early-career artists into our established, competitive craft marketplaces.

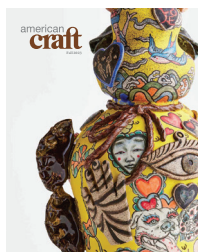

With portions of expenses underwritten by ACC, the program gives emerging artists an unparalleled opportunity to grow their clientele and careers through extensive exhibitor support and potential marketplace awards. Artists typically participate in the program for a total of three years.

In Baltimore, there are more than 60 artists exhibiting. They are marked in **orange** on the map and with an  in the main directory.

The Emerging Artists Program is possible thanks to generous support from the Windgate Charitable Foundation and the Maxwell/Hanrahan Foundation.
