## Presented by the American Craft Council

The American Craft Council (ACC), is a national nonprofit based in Minneapolis. We support makers, artists, and the creative economy through:

- Professional development and other resources for artists
- Inspiring storytelling via *American Craft* magazine and other platforms
- Celebration of craft's legacy with a unique research library and awards
- Lively regional events—like this one—designed to build community around craft and the handmade

## How to Find a Booth

Each booth location includes a row (the R), and a letter (A to Z). Booths are arranged in four rows. The letters run A to Z. A is closest to the entrance and Z is farthest away.
